Detailed Action

Reasons for Allowance

1. Claims 1-5 are allowed.
2. The following is an examiner's statement of reasons for allowance:

This application is for a magnetic recording and reproduction apparatus.

- **Claim 1** specifies a magnetic recording and reproduction apparatus, which requires:

“...a plurality of tape pull-out members representing ***all*** tape pull-out members included in the magnetic recording and reproduction apparatus acting so as to pull out a tape from the tape cassette... ***all the plurality of tape pull-out members are mounted on the sub-chassis.***”

These features, in combination with the other features of Claim 1, are not anticipated by, nor made obvious over, the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

4. The closest prior art is Konishi et al (US 6,256,167) but does not show a plurality of tape pull-out members *representing all tape pull-out members included in the magnetic recording and reproduction apparatus acting so as to pull out a tape from the tape cassette... all the plurality of tape pull-out members are mounted on the sub-chassis.*
